**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Greetings.

I am writing to let you know that I am very pleased with my alternative "competitive" internet provider, which also provides me with unlimited phone service within the United States. A regular monthly bill with no surprises, and no increases year to year. Steady, reliable service. Great customer service.

My monthly service for internet and phone is about two-thirds of what I was paying the big company. Please keep this service available to me and others by insuring that there continues to be competition among service providers.

This service is important for both my wife and I personally and also for my religious non-profit.

Thank you for listening.
